TRAINING

“A Better Understanding of Islam”

Abdul Mughees Chaudhri is the current President of the Islamic Society of Chester County. Mughees is an Electrical Engineer with a MBA in project management, MSIS degree from Penn State and Financial Planning course from Wharton Business School. Mughees started his career working as a Sales Engineer for Hewlett Packard South East Asia and over the years has held various positions in the Collaboration, Multimedia Control and Automation industry, managing multimillion dollar projects in US, EMEA and APAC. Currently, he heads up business development for a Technology company, and previously held Vice President of Sales for Harman by Samsung, a Fortune 500 Technology Company.

Mughees was a politically active student and held student body offices for four years in Engineering University. He has also served as an elected board member, chairman and treasurer for the Islamic Society of Chester County. Besides a flare for politics, he has always been a philanthropist at heart helping various humanitarian charities like March of Dimes, World Health Organization project for Hunger in Africa, Pennies for Peace, Refugee Resettlement, Rohingya crises.

Mughees is a founding member and heading EngageUSA in Pennsylvania, a nonprofit Civic Engagement and political engagement organization for Muslims.

Mughees will provide insight into the Muslim religion. There are no topics off limits. All questions are welcome.
